Testimonials From Our Students

venu, B. PHARM, MEDICAL CONTENT WRITING APOLLO 24|7, HYDERABAD

Hi. I am Venu. I completed my B. Pharm, in March 2024 from Sankar Reddy College Of Pharmacy, Prakasam Dist. After completion of my graduation degree, I completed a pharmacovigilance online course from Rise Trainings. After completion of my course in less than two months I was referred by Rise Trainings Institute to Apollo 24/7 as a medical content writer. I cleared the interview then I got a job in Apollo 24/7. Now I am working as a medical content writer in Apollo, Hyderabad. Thank you, Rise Trainings, and my special thanks to Kiran sir, Meghana madam, and Preethi madam. I am indebted to all of you. I am a big fan of their voices such a pleasant and decent tone with supporting students 24 x 7. My opinion on Rise Trainings India's top training institute for Pharma students to achieve their Health Care IT Career dream jobs. My rating on this training institute is 9/10.

Excellent mentors with rich experience and an understanding of the individual profile. Thank you Kiran Sir for your assistance, and guidance & helping me to regain my confidence....

Sowjanya. M, M. Pharm, (Ph. D), Medical Writing, Indegene , Bangalore.

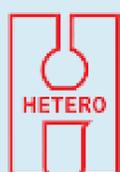

It's really a great place to have a kick start in your career. The training here helped me to gain awareness and confidence to overcome the fear of interviews. The faculty here explain in a very simple and explicit manner. The mock interviews conducted here really helped me with the interview.

A very big Thank You to the entire team of RISE TRAININGS.....

Usha Madhuri, B. Pharm, Medical Writing HCL Technologies, Madhurai.

Soon after my graduation, with no proper guidance on Pharma IT jobs, I joined the pharmaceutical industry in the quality control department. I didn't find interest in it during my work there. I got to know rise trainings through one of my friends. This time with the proper guidance of kiran sir and the other trainers and with materials, mock interviews they conduct, and also with the special guidance on job search I've secured a job. Thank you Rise Trainings and team.
